Alternative Paradigms of Literary Realism D Adams

Using the traditional genres of allegory, pastoral, and parable, this book develops alternative paradigms of literary realism with which to reexamine a group of crucial but marginalized 20th century writers who have been misread as conventional mimetic realists.

Alternative Paradigms of Literary Realism epdf tips

The value and function of the alternative paradigms of literary realism these authors created have not been generally recognized by literary criticism. Educated contemporary readers of literature typically are thoughtful and engaged when approaching texts that represent and express the multifarious sociopolitical actualities of our increasingly interrelated world. But all too often these same
