Irish literature Wikipedia

Irish literature comprises writings in the Irish, Latin, and English (including Ulster Scots) languages on the island of Ireland. The earliest recorded Irish writing dates from the seventh century and was produced by monks writing in both Latin and Early Irish. In addition to scriptural writing, the monks of Ireland recorded both poetry and mythological tales. There is a large surviving body of

Modern literature in Irish Wikipedia

Although Irish has been used as a literary language for more than 1,500 years (see Irish literature), and in a form intelligible to contemporary speakers since at least the sixteenth century, modern literature in Irish owes much to the Gaelic Revival, a cultural movement which began in the late nineteenth century.

This essay takes as its theme the humanistic principle of antithetical discourse as exemplified in the Irish literary tradition. In demonstrating the differences between external American views and internal Irish views of Irish writers, it traces the changing critical judgments of Yeats' and Joyce's respective places in the tradition.

Ebook To Banish Ghost And Goblin New Essays On Irish

By showing how N Dhuibhne's novels act as considered arguments against attempts to disavow the past, how McCann's protagonists come to terms with their history and how Enright's fiction explores connections and relationships with the female body, Susan Cahill's study pinpoints common concerns for contemporary Irish writers: the relationship between the body, memory and history, between
