What is the difference between a certificate and a Private

Doing business electronically provides the opportunity to deliver new revenue-generating services and lower the cost of traditional business. But as services are delivered electronically, the same security must be provided as in the paper-based world. This security must provide five important capabilities:
http://bosslens.co/What_is_the_difference_between_a_certificate_and_a_Private-.pdf

This letter may not influence you to be smarter, yet guide *doing business electronically* that we offer will certainly stimulate you to be smarter.
