Institutional Change A Framework Of Analysis

A theory of institutional change is essential for further progress in the social sciences in general and economics in particular. Essential because neo-classical theory (and other theories in the social scientist's toolbag) at present cannot satisfactorily account for the very diverse performance of societies and economies both at a moment of

New institutionalism Wikipedia

New institutionalism or neo-institutionalism is a school of thought that focuses on developing a sociological view of institutions the way they interact and how they affect society. It provides a way of viewing institutions outside of the traditional views of economics by explaining why and how institutions emerge in a certain way within a given context. This institutional view argues that
