Origin of the Family Private Property and the State

Engels wrote The Origin of the Family, Private Property and the State in just two months beginning toward the end of March 1884 and completing it by the end of May. It focuses on early human history, following the disintegration of the primitive community and the emergence of a class society based on

private property. Engels looks into the origin and essence of the state, and concludes it

Private property Wikipedia

Private property is a legal designation for the ownership of property by non-governmental legal entities. Private property is distinguishable from public property, which is owned by a state entity; and from collective (or cooperative) property, which is owned by a group of non-governmental entities.
