The Founding Fathers Education and The Great Contest

"In 1795, the nation's leading research institution offered a prize for the best essay on a system of public education for the United States. Over the next two years, the proposals they received ranged from the ridiculous, to the provocative, to the eerily familiar.

The Founding Fathers Education and The Great Contest

Leading historians provide new insights into the founding generation's views on the place of public education in America. This volume explores enduring themes, such as gender, race, religion, and central vs. local control, in seven essays of the 1790s on how to implement public education in the new USA. The original essays are included as well.
